Suggested Reading Paths for MIROW Main Guides

This handout provides recommended reading paths for staff based upon the roles they play within, or related to, an Immunization Information System. Readers may find these "paths" to be an easier, more manageable introduction to MIROW best practice guides; a curious reader interested in understanding specific details of a particular subject should read the entire document. Mini-guides are also available to give the reader a brief overview of each topic.

Guide	Program Manager	Immunization Program/IIS Staff	Technical Developers
Vaccine De-duplication (2006)	Executive Summary Chapter 2: Process Overview Chapter 7: Conclusions Appendix B: Merging Data from Duplicate Records	Chapter 2: Process Overview Chapter 3: Selection Phase Chapter 4: Evaluation Phase Chapter 5: Resolution Phase Chapter 6: Additional Miscellaneous Recommendations Appendix B: Merging Data from Duplicate Records	Appendix A: Domain Model Chapter 2: Process Overview Chapter 3: Selection Phase Chapter 4: Evaluation Phase Chapter 5: Resolution Phase Appendix B: Merging Data from Duplicate Records
Data Quality Assurance in IIS: Incoming Data (2008)	Chapter 1: Executive Summary Chapter 2: Process Overview Conclusions Appendix B: Data Quality Framework – Completeness, Accuracy and Timeliness	Chapter 3: ACIP Recommendations Considerations Chapter 4: Principles Chapter 5: Business Rules Chapter 6: Precertification and Providers' Profiles Chapter 7: Barriers to implementation Appendix B: Data Quality Framework - Completeness, Accuracy, and Timeliness	Appendix A: Domain Model Chapter 4: Principles Chapter 5: Business Rules (Note: Business Rules have been updated in the 2013 MIROW guide) Appendix F: A Possible Statistical Approach…
Reminder/Recall in Immunization Information Systems (2009)	Executive Summary Chapter 2: Reminder/Recall Process Chapter 6: Peer-Reviewed Literature…	Chapter 2: Reminder/Recall Process Chapter 3: Process-Related Recommendations; Principles & Business Rules Chapter 4: Influences on Various Aspects of Reminder/Recall Operations Chapter 5: Evaluation of Reminder/Recall Outcomes and Responses Chapter 7: Reminder/Recall Worst Practices Chapter 8: Barriers to Implementation	Appendix A: Domain Model Chapter 2: Reminder/Recall Process Chapter 3: Process-Related Recommendations; Principles and Business Rules Chapter 4: Influences on Various Aspects of Reminder/Recall Operations
