

* Order Status includes: 01 Pending (P), 02 Approved (A), 03 Obligated (O), 04 Submitted, 05 Received in Part (R), 06 Received in Full (F), 07 Received in Excess, 08 Canceled (C), 09 Held at CDC, 10 Shipped in Full (Direct Shipped), 11 Reshipment

** NIPVAC automatically checks if the CDC reached maximum doses under contract, if the vaccines listed can be purchased with the indicated funding source, if the project has enough funds. The NIP Approver manually checks the antigen orders against the spending plan located in the allocation database.
